Magodo GRA Lagos

PROFESSIONAL SUMMARY

Creative and detail-focused Frontend Web Developer skilled in building responsive websites with React . Passionate about turning UI designs into smooth, user-friendly web experiences. Strong team player, fast learner, and always eager to grow.

WORK EXPERIENCE

- 2025
WEB DEVELOPER
BAKES N CRAVE
 - Developed and managed a full eCommerce platform for Bakes N Crave using React and Tailwind CSS for the frontend, and currently building backend services with Python (Django) and MySQL.
- 2024
FRONTEND WEB DEVELOPER
SPACEAIR
 - Designed and developed responsive landing pages and frontend interfaces for various startups and e-commerce platforms using React, JavaScript, Tailwind CSS, and other modern frontend tools. One notable project was SPACEAIR, where I built the entire frontend experience for their startup platform.
- 2017-2018
IT SUPPORT SPECIALIST
EKO FM
 - Initially joined Eko FM as part of a 6-month Student Work Experience Scheme (SIWES) during OND in Mass Communication.
 - Demonstrated strong technical ability and adaptability, leading to being retained as an IT Support Specialist.
 - Provided technical support for on-air systems, office hardware, and software troubleshooting.
 - Assisted with setting up live broadcasts, maintaining system uptime, and resolving network-related issues.
